

# LIBRARY RESOURCES & SERVICES

The Al Maktoum Medical Library (AMML), supports the students, medical and academic staff of the Mohammed Bin Rashid University of Medicine and Health Sciences, as well as the wider medical community, by providing access to quality and authoritative information resources. Located on the first floor of the MBRU, the Library provides state-of-the-art services and a collection of point-of-care resources and medical education databases. The Library also provides spaces for quiet study and group study, lounges, meeting rooms, collaborative study pods and an information commons with scanning and printing facilities.
