

Guidelines For Booking Surgical Skills Lab (SSL) Events Using Radiology Equipment

To book for an SSL event using radiology equipment at MBRU, the organizer must submit the following documents:

1. FANR License to own and operate radiology equipment.
2. NOC from FANR to move the radiology equipment to MBRU

How to apply for FANR No Objection Certificate (NOC)

1. Send email request for an NOC to FANR

Email: fanr.licensing@fanr.gov.ae

Attention to: Radiation Source Manager

Copy to: venues@mbru.ac.ae

2. Content of the email:

- Name of the event and date
- Purpose of moving the C-Arm to MBRU
- Address of MBRU
- Assessment of the Venue at MBRU
- Lay -out of the surgical skills laboratory at MBRU
- Description of the venue that includes dimensions, walling, (dimension, thickness, and materials used) including working tables.
- Distance from the wall where the radiology equipment will be put.

3. If it is necessary to use lead barrier (thickness and dimension)

Important: Venue booking will not be confirmed without the above requirements.
